## Share Parents Family Picnic

Thursday June 14, 2018 at 6:30 pm

Mack Park (East Pavilion) 50 North 300 East Smithfield, Utah

The whole family is invited to attend our annual Family Picnic! This is a unique opportunity for the whole family to socialize with other families who have experienced similar loss. The Share Parents will provide Sandwiches and Drink. Please bring a Salad if your last night starts with A-R; S-Z bring a Dessert!

### Let's Picnic & Party!!!!

Whether your living children were born before or after the loss of your angel baby (ies) they too go through their own grief. Often their grief ebbs and flows like our own. **At our annual family picnic there will be a children's activity for all children.**

There will be a book reading and activity. We hope that we can help your children feel loved and accepted in their grief journey and help them make items to remember their siblings.

#### Upcoming Events:

July 12	support meeting
August 9	support meeting
Sept	Balloon Release

Pennies from Heaven

By C Mashburn

I found a penny today  
Just laying on the ground  
But it's not just a penny  
This coin I've found

"Found" pennies come from heaven  
That's what my Grandpa told me  
He said when an angel misses you  
They toss a penny down  
Sometimes just to cheer you up  
Make a smile out of your frown  
So don't pass by that penny  
When you're feeling blue  
It may be a penny from heaven  
That an angel tossed to you!

***Did you ever know, my love, how much  
you took away with you when you left?***

~ **CS Lewis**

Butterfly

My heart, I'll send to thee  
Wisps of color in the air;  
Butterflies from me.

They travel on the gentle breeze  
To wherever you may be  
Painting hearts with kisses,  
Just as those you've sent to me  
~Brenda Darlene Kijowski

The Rosebud

On your journey to heaven, Oh  
littlest of angels, I'll give thanks,  
You came first to my arms, Where  
you lay in warm sweetness, For the  
briefest of moments, My name on  
your bracelet...Baby girl of my own.

Not even the rosebud, Nor the first  
crocus petal, Could match the soft  
wonder, Of your small, flowering  
face... Though you lingered, oh  
briefly, Our torn hearts found com-  
fort, And your fair, infant presence,  
Gave our sorrow a grace.

Etched in our memories, To hold  
and to treasure, Are experiences  
we had not know; These you gave,  
in your innocence, To your mother  
and father; And oh, little darling,  
We are richer by far, To have held  
you a moment, Then to never to  
have held you At all.

~Unknown

Worth the Cost

Your life here on Earth  
Was not meant to be,  
But I don't regret the cost  
of trying to bring you here with me.

Although I only held you briefly  
Before they took you away from me.  
It was worth every pain, every tear shed,  
Because I treasure the love you inspired in me.

Do not be afraid  
to say his name.  
I'm not afraid to hear it  
I might cry  
But they are  
tears of Love  
And joy  
That You remembered  
him.

One day at a time

Is all I can bear  
If I can make it through this day  
Then I can look back tomorrow  
And know that I am strong  
Even in my weakness  
And sometimes being weak  
Is the only way I can be, at all...
